## **CHURCHYARD MATTERS**

If you would like information about the churchyard, there is usually someone who can help at the Saturday Morning Priory Pantry, in church 10.00 am – 12.00 noon.

You will no doubt be aware of the vast improvement to the church yard last year. Not only have the volunteers, affectionally known as the “Holy Mowers” been maintaining the newer and easier to maintain parts of the churchyard, they have been tackling the overgrown areas. All of this has been achieved with an ever-growing team of volunteers who

have formed a WhatsApp group, which is working well and the members are able to

communicate more easily with one another. They would welcome more

willing workers, thus helping to keep our lovely, peaceful green space for all to enjoy. They are now back, after a short winter break, tidying and preparing for spring.

You will no doubt be aware that the volunteers have been working very hard in the churchyard this summer as the whole place looks brilliant. Not only have they been maintaining the newer and easier to maintain parts of the churchyard, they have been tackling the overgrown areas. All of this has been achieved with an ever-growing team of volunteers who have formed a WhatsApp group, which is working well and the members are able to communicate more easily with one another. ## **HEATING PROJECT**

We are pleased to say that we now have a new boiler and pipework which runs under the floor on the north side of the church. The old pipes had rusted away and there were many leaks which resulted in that circuit being capped off for the last two winters.

The new boiler is situated in the store cupboard in the vestry and there are lots of copper pipes both in the vestry and down below in the boiler house. The new system will be much more efficient and, we hope, cheaper to run. We should now all be much warmer when in church for services and social occasions.

The estimated cost is in the region of £38,400 including VAT but the VAT of around £6400 should be recoverable. We have been very lucky to obtain grants amounting to £12,000 from Burton Consolidated Charities, the John Bamford Trust and Staffordshire Historic Churches Trust. There is one application still outstanding. Part of the cost has been met from church reserves, generous personal donations and proceeds from the Priory Craft group but there is still a shortfall and work is ongoing to try and source additional funds.

If you would like to make a donation, however small, please have a word with Joycelyn who can give you details of the church bank account.

## **PRIORY PANTRY AND SUNDAY MORNING ROTA**

Thanks again to all who provide refreshment on Saturday and Sunday mornings. There are new Rota Sheets for the first quarter of 2024, so we would be very grateful if you could put your name on the list if you are able to help.

A cup of coffee/tea is most welcome after morning service on a Sunday, time to catch up with friends.

The Priory Pantry has much the same aim and does attract more people into the church, recently numbers have grown. We are able to

offer home-made cakes and sometimes Bacon Cobs and since the heating system is up and running, a warm space. We have been astounded at the support both socially and financially Priory Pantry provides. We look forward to 2024.
