A.R.T. PARISHES MAGAZINE

Welcome to the September 2025 Edition of the Magazine for the Churches of Anslow, Rolleston-on-Dove and Tutbury.

Editor: For this edition with the continuing vacancy, I have used an article written in the Parish Pump website :

Dear Friends

Jesus teaches his Disciples to pray

As we remember St Luke this month, let's note that one of the major themes in his gospel is prayer. Jesus tells the Parable of the Friend at Midnight (Luke 11:5-8) in the context of teaching His disciples to pray (1).

Pray Shamelessly:

In the parable a man approaches his friend at midnight and asking: 'Friend, lend me three loaves, for a friend of mine has arrived on a journey, and I have nothing to set before him' (5-6). Despite the hour, the rules of hospitality mean that this is not an unreasonable request. Jesus says, 'though he will not get up and give him anything because he is his friend, yet because of the man's boldness he will rise and give him whatever he needs' (8). Jesus is telling us to approach our heavenly Father in 'shameless boldness' with our needs. As adopted children we should have no hesitancy in coming to talk with our Father. It is not God who is reluctant to answer, but we to ask. Do we pray with shameless boldness?

Pray Persistently:

Like children we should be persistent in our requests: 'Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you.' (9). All three verbs indicate a continual habit: 'Keep on asking...seeking...knocking'. We will not be content simply to ask once and then move on. Jesus tells us to bring our prayers to God persistently. Do we give up too easily in prayer?

Pray Expectantly:

'For everyone who asks receives, and the one who seeks finds, and to the one who knocks it will be opened.' (10). Are we expectant in our prayers, believing that God delights in meeting our requests? Why not begin this adventure of prayer today!

Yours in Christ.

The Benefice is now in Vacancy pending the appointment of a new incumbent Rector.

It is therefore important to check Facebook, NIPs, Parish websites and emails, and/or contact the appropriate churchwardens for latest information and news .

Services:

Our services continue to be quite well attended. We would love to welcome some young families even if it is only once a month. We have been so lucky to have the pleasure of welcoming a number of retired clergy each Sunday. They are so kind and so willing to help us during the vacancy.

We are hoping the new Rector will be as they are.

Benefice Service:

The service at St Mary's Rolleston on Sunday 31st August was well attended. The Rural Dean Revd Robin Trotter conducted it and we stayed for refreshments afterwards. It was good to meet up with members of the other three churches.

Sunday Gathering:

A massive thank-you must go to Jean and Rodney Hughes for hosting a 'Sunday Gathering' in their beautiful garden. Over 60 people enjoyed a delicious meal prepared by them and their many helpers which included Dave our chef, Janet, Sue, Roger and Sally. A vast array of mouth watering sweets were available to have and you could go back for seconds, which many did I'm sure. A big thank you is given to all those who provided them.

The weather wasn't really kind to us, but despite this and due to the wonderful generosity of so many people we raised the amazing amount of over £900 for Church funds. This will go towards the large bill we have to pay to have some of the windows repaired. Thanks for your support.

Working Party Day 13/09/25:

Twenty one adults and 2 children gave up their Saturday morning to help make Holy Trinity Church and grounds look amazing. They all worked so hard. We enjoyed drinks and a buffet at 11.00am and then went back to work with gusto. A massive thank you must go to you all for all your hard work. You are stars.

Skittles at the Village Hall:

29th November: Hope you have your tickets for this brilliant event as they sell out fast. Ring Terry on 515503 to reserve your place. Bring your own drinks and glasses.

Acknowledgement:

The Church gratefully acknowledges the kind donation of £263 given in memory of David Browning. All our thoughts and prayers go out to his family and friends at this sad time.

Churchyard:

The bedding plants have done really well this year and have looked a picture. It will soon be time to empty all the tubs and borders for the winter.

Thanks to all those who have donated them and to those who helped keep them alive especially through the heat wave.

Thomas Pegg 'Transport and Tractor Run'

Unfortunately due to unforeseen circumstances this event could not take place this year. Hopefully it will return in 2026. Caroline would like to

thank you for your continued support.

After our August break, we resumed our meetings on 9th September when our speaker was Anna-Louise Pickering, daughter of the late internationally acclaimed wildlife artist and conservationist Pollyanna Pickering. Anna-Louise worked alongside her documenting the journeys photographically and writing the text for their popular books. Everyone enjoyed the talk and the wonderful pictures that were taken over many years on all seven continents. Members were able to purchase cards, stationery, mugs and calendars etc. afterwards.

Future events include Darts Match, Breakfast Club, Middle Temple trip with lunch and a guided tour, Christmas meal at The Mulberry, and many more to look forward to. Members were thanked for the many donations of items bought for the various stalls at our Macmillan Coffee Afternoon on 20th September at Anslow Village Hall.

The next meeting is on 14th October. The speakers will be Elaine and Julie the 'Potty Plotters'. The competition is a garden ornament. It is also our Autumn 'Bring and Buy' and the money raised will go to our charity of the year.

News and Views

“Many parents on low incomes are worried about how they will cope financially this winter.

A recent report from CAP, Child Poverty: Insights into the real challenges families across the UK are facing, found that “the weight of responsibility and pressure to provide for children is a heavy burden” for many, and that “parents sometimes go without, so their children have what they need.”

One of CAP’s clients, Nicole, admits that “I used to have to skip meals sometimes so they could eat, and I’d just have some of the leftovers. Being in debt takes over your life. A lot of anxiety comes with it. I used to have physical panic attacks.”

CAP’s policy and public-affairs manager, Juliette Flach, says: “Families and single parents’ financial situations and incomes can change significantly over time. Job loss, a relationship breakdown, or health issues can all mean some parents who could once afford the basics for their children may no longer be able to.”

Is there a spiritual revival going on among our young people?

A leading professor of Pastoral Theology at the University of Vienna thinks that this may well be so. For the Revd Paul Zulehner says that while Church is still losing young people, it is also gaining them.

“We’re clearly witnessing a protest against mainstream secularisation, as groups of youngsters yearn for re-spiritualisation or re-enchantment. Many are looking for meaning beyond material success, when such perceptions have become enfeebled in our pluralistic societies.”

in Britain, Youth for Christ, an international evangelical youth ministry, has reported that weekly church attendance by young people had doubled from four to eight percent in five years. YFC said that half of young people were now declaring a belief in God, and 96 per cent express an openness to “supernatural experience”.

The report also said that the number of younger people claiming to pray regularly had also increased sharply, although it is still small. 65 per cent said that they now viewed churches “positively”, compared with just eight per cent in 2020 — defying “every prediction about declining religious engagement”.

He told Church Times: “Gospel influences are at work through Instagram, TikTok, and the networks today’s youngsters rely on, which may ultimately prove as important in finding followers for Christ as the Church’s leaders and traditions.”

Golf

A golf player is a person who can drive 70 miles an hour in traffic with perfect ease, but who goes to pieces on a two-foot putt if somebody coughs

Cheap at the price

A little boy was pestering his parents for a baby brother or sister. They kept telling him 'maybe one day, but we can't afford one yet.' Then one Sunday the little boy dragged his parents over to the noticeboard at the back of church. It was advertising a coming sale at the church and announced: 'Children: free'.

If you understand it...

When you get to the point where you really understand your computer, it's probably obsolete.

Choice

Why do Americans choose from just two people to run for president, and 50 for Miss America?

Wear out

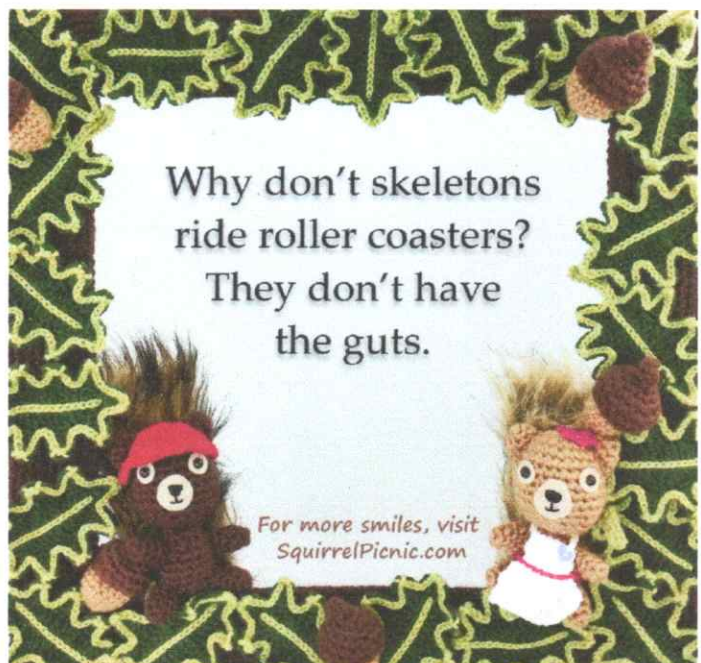

Three little boys were bragging about how tough they were. "I'm so tough," said the first boy, "that I can wear out a pair of shoes in a week."

"Well," said the second little boy, "I'm so tough, I can wear out a pair of jeans in a day."

"That's nothing," said the third boy. "When my parents take me to see my grandma and grandpa, I can wear them out in just one hour."

After his induction, Harry met the leaders of the other denominations

Shoebox Appeal 2025:

Shoeboxes can be completed for boys & girls of ages 3 to 5, 6 to 11, & 12 years +.
..../

/.... These boxes will go to underprivileged children at Christmas.

Last year we also put together family boxes, which were well received, so we would love to repeat this. It costs £3 to transport each box, so a donation would be appreciated. Please put your donation in an envelope and hand it in to Lee or Vivien. Any spare shoe boxes and Christmas wrapping paper would be gratefully received.

These are suggested contents for the boxes; -

colouring books, notepads, drawing pads, toothbrushes, toothpaste, soap, facecloths, hairbrushes, combs. hats, scarves, gloves, underwear, socks, hair accessories, tea towels, dishcloths, clothes pegs, utensils, small gifts for parents' games, puzzles, small musical instruments, any small toys, small cuddly toys, small balls (e.g. tennis balls), small vehicles, sweets which are dated January 2026 or later.

If you do not want to fill a box yourself, suitable items can be brought into Church & left in the container provided. All covered and filled boxes will need to be completed by November 2nd and brought into church.

Last year, we had some fantastic contributions from local Rolleston residents. Please let Vivien know 07772 447727 if you are available to help make up the boxes, as this is a huge but very rewarding job. Thank you for your support.

T4U - Give Love in A Box this Year

It is that time of year again for the Christmas shoe boxes for those children who would otherwise not get any presents. Just like last year, the shoeboxes will be heading to the Ukraine, Moldova, Georgia, Bosnia and Romania.

The Charity works with in-country partners like the Red Cross to help find children that are most in need.

The Church supports this Appeal every Year. You can find leaflets at Church which tell you what is or isn't appropriate to put in the boxes. Alternatively, you can see details online at teams4u.com.

We collect items for packing into the boxes in church. We will need to send these boxes off on their way by **Sunday 2nd November**. If you want to fill your own shoeboxes, we would be please to receive those too. However, please be aware that the contents will, of necessity, need to be checked by the Charity; so please don't seal the box!

The Churchyard

With the rain and now the sun again in the last few days (observed in mid September), the churchyard is really looking its best. It was lovely to see so many people of all ages just sitting soaking up the sun on the South side of the Church.

The community volunteer group, the Holy Mowers, are doing their stuff each Wednesday. Bless them!

Tutbury Village WI

In August our members enjoyed a Prosecco and Pot Painting evening at Barton Marina. A big thank-you to Jane for organising the trip and to Shirley for collecting our "Masterpieces". The members who attended brought their pieces to the September meeting for all the members to see.

Our September Fundraiser entitled "Sex and the Tudors" was a great success and a big "thank-you" to everyone who came and supported us on the night, and an extra big thank-you to all the helpers for their hard work both before and during the fundraiser.

Our September meeting saw our members enjoy a talk on "How to love Poetry" The speaker was Bert Flitcroft who read excerpts from his book "Seeing the light". He read a poem called "little ways" and showed us how to read a poem and look for important words and phrases and explained if you take your time to read contemporary poetry you get more from it. The next poem he read to us was "The Bridges", it was about his Uncle Albert, and how he parachuted behind enemy lines at Arnum.

He told us that his poem explores the "Bridges" between a family's past and the generations that follow.

Our Competition winners were - 1st Joycelyn, 2nd Lesley and 3rd Shirley.

/.... Thank you to all the ladies who entered and for sharing their favourite poems with us.

Our September lunch was on the 15th at the Boars head.

Our October meeting is on the 9th of October and is a Craft evening with Karen teaching our members how to make a sewn felt poppy brooch. Our competition will be the best poppy.

Benefice Matters

Search for our new Rector Update

Further to the first Pre-vacancy meeting of the three Benefice PCCs with Archdeacon Megan and the Patron's Representative, Rev'd Andy Wooding-Jones in St Mary's Priory Church, Tutbury on Monday, 16th June, the three parishes' churchwardens have been progressing the Benefice Profile and a draft outline benefice "Profile" document having been submitted to the Diocese in readiness for the next meeting with Archdeacon Megan and Rev'd Andy Wooding-Jones. After what seems a long delay, a meeting of the Benefice's Churchwardens with Archdeacon Megan and Rev'd Andy Wooding-Jones has now been arranged for Wednesday, 1st October.

At this meeting, it is hoped that progress will be made towards a finished Benefice profile and presentation document. This document will, ultimately be used as a prospectus to attract the most suitable priest candidates.

If you want to see more about the process, this website will give you further information: <https://cpas.org.uk>. We continue to pray very earnestly for a good result for our Benefice

Prayer for October 2025

A Helping Hand

There is much we can do just to brighten
This world of all take and no give,
There's a great deal that we can contribute
Through the everyday lives that we live.

By supporting one's elderly neighbours
Or through lending a hand in some way
It's by taking a bunch of spring flowers
To someone to brighten their day.

It's by sparing a few precious hours
In the service of those most in need
It's all about setting a standard
And trying to give others a lead

It's the way that we tend to treat others
And help and aid folks in distress
In the care and assistance we offer
That will set us apart from the rest.

The choice that we face is quite simple
The rewards plain for all men to see
As you did all of this to My brother
Then said Jesus, you did it to Me.

Benefice Recipe

Editor: This edition's recipe is a traditional snack lunch with a seafood twist.

I am still waiting for the good cooks amongst our readers to share their family favourites.

This month our Benefice recipe is:

Prawn Rarebits

Serves four as bites or two as a starter for a main meal

Recipe:

4-6 thick slices of French bread

Melted butter, for brushing

1 teaspoon English mustard

A dash of Worcester sauce

150ml double or whipping cream

75g grated Cheddar cheese

75g grated Gruyère cheese

175g cooked and peeled prawns

Method

Preheat the grill, brush both sides of each bread slice with butter and toast the top and bottom to a golden brown under the grill.

In a large bowl, stir the mustard and Worcester sauce into the cream. Extra mustard can be added for a stronger taste. Loosely fold in the cheese and prawns, then spoon the mixture onto the toasts.

Place under the grill, not too close to the top, and toast to a golden brown. The rarebits are then ready to serve.

The cheese sauce is instantly created with cream and can also be used to top Chicken breasts, baked potatoes or even to make a quick Lobster thermidor (if you can afford it these days). Just replace the Worcester Sauce with lemon juice, scoop over the cooked lobster and brown under the grill.

...if you have been affected by any of the issues raised in this sermon...
